

# MTU Aero Engines North America, Inc.

## CIPT LPT 30k Deputy

As a growing engineering services company located in Rocky Hill, CT, MTU Aero Engines North America (MTU AENA) is looking for a dedicated and experienced candidate to join our dynamic CIPT (Component Integrated Product Team) department as a CIPT LPT Deputy. Bringing 10+ years of relevant engineering experience, our CIPT Deputies are responsible for providing technical leadership, mentoring team members and working to execute the department strategy.

The role of a CIPT Deputy is exciting and multi-faceted. Our CIPT Deputies are expected to technically guide and mentor a team of engineers to meet the needs of our customer's unique set of specifications and requirements.

To meet the expectations for this role, the successful candidate will:

- Propose group strategy and metrics based on department objectives by gathering pertinent business, financial and operations information; proposing a course of action; defining objectives; evaluating outcomes;
- Assign tasks and responsibilities appropriately according to the situation and experience levels of the group; assure work is divided evenly with the group based on experience levels and customer needs;
- Perform contract reviews and monitor SOW budgets to ensure they meet targets;
- Manage technical activities and provide guidance to CIPT team members on programs as observed and needed;
- Support employees in their efforts to develop themselves personally and professionally even beyond his/her own area of responsibility;
- Provide technical direction to employees within his/her CIPT team

Requirements for the position include:

- Bachelor's degree or equivalent experience in a related, relevant discipline
- 10+ years of experience
- 5-7 years of experience in specified discipline
- 2 years of demonstrated experience in a cross functional leadership role
- Occasional travel is required
- Eligible to work in the United States without Sponsorship

If you have the energy, experience and dedication to be a CIPT Deputy at MTU AENA, please apply today!

MTU AENA offers a competitive total compensation package and adheres to a philosophy of work-life balance. Our engineers are empowered to excel within a flexible work environment that fosters career diversity, open communication, approachable management and a team-focused attitude.

MTU AENA provides training and career development opportunities that position our employees for growth, allowing them to realize his or her full potential. Fueled by hard work and initiative, MTU AENA employees drive their own success in an environment that recognizes innovation and celebrates achievements.
