

MTU Aero Engines North America, Inc.

Team Lead

As a growing engineering services company located in Rocky Hill, CT, MTU Aero Engines North America (MTU AENA) is looking for a dedicated and experienced candidate to join our dynamic engineering departments as a Team Lead. Bringing 10+ years of relevant engineering experience, our Team Leads are responsible for implementing the vision and strategy of the department.

The role of a Team Lead is exciting and multi-faceted. Our Team Leads are expected to guide and mentor a team of 5-15 engineers to meet the needs of our customer's unique set of specifications and requirements.

To meet the expectations for this role, the successful candidate will:

- Have the technical knowledge to provide guidance and identify development opportunities for the team and establish and maintain technical credibility with the customers
- Maintain and strengthen current customer relationships and achieve strategic goals for business growth
- Ensure high customer satisfaction levels (as measured by the satisfaction survey tool) and support customer's cost reduction targets
- Support and develop team members through one-on-one meetings, development plans, coaching and regular team meetings
- Receive support and development from the Department Manager through one-on-one meetings, development plans, mentoring with the management team and peer coaching.

Requirements for the position include:

- Bachelor's Degree in relevant field
- 10+ years of related engineering experience
- 5 years of demonstrated experience in a people management role
- Occasional travel may be required
- Eligible to work in the United States without Sponsorship

If you have the energy, experience and dedication to be a Team Lead at MTU AENA, please apply today!

MTU AENA offers a competitive total compensation package and adheres to a philosophy of work-life balance. Our engineers are empowered to excel within a flexible work environment that fosters career diversity, open communication, approachable management and a team-focused attitude.

MTU AENA provides training and career development opportunities that position our employees for growth, allowing them to realize his or her full potential. Fueled by hard work and initiative, MTU AENA employees drive their own success in an environment that recognizes innovation and celebrates achievements.
